

Southeastern Regional Symposium

• ONLINE CONFERENCE •

• OUR MISSION •

The Southeastern Regional Symposium is an annual, one-day gathering of scholars who focus on educating future teachers of the D/deaf and Educational American Sign Language (ASL) Interpreters. The purpose of the Southeastern Regional Symposium is to provide a small, low-stakes, low-cost meeting of the minds and to give opportunities for scholars to present not only their research but also andragogical practices that they have found effective in training future teachers of the D/deaf, or Educational ASL Interpreters.

• THIS YEARS THEME •

Intersectionality Across Borders in Interpreting, Deaf Studies, and Deaf Education.
